Professional Experience

SDE Intern, Invact Metaversity 📄

04/2022 – 03/2023

Bengaluru, India

Admin Portal for LMS (web) 📄

Next Js, Typescript, Turbo Repo, Formik, React Query, React Table, React Beautiful DND, Chakra UI

- Built and maintained Invact's **Admin Portal** from scratch, which is being used by curriculum and operation team to manage everything in **LMS**.

Teacher Portal for Evaluation (web) 📄

Next Js, Typescript, Turbo Repo, Formik, React Query, React Table, Chakra UI

- Collaborated with **teachers and evaluators** to understand their pain points while evaluating **POWs** and with their feedback fixed the whole **evaluation flow** that saves them over **2000 hrs** for every batch currently.

Invact's New Marketing Site (web) 📄

Next Js, Typescript, Chakra UI, Framer Motion

- Was part of the **brand reveal team** and built the **new marketing site** within weeks from scratch by collaborating with external stakeholders .

Learning Management System For Student (web) 📄

Next Js, Typescript, Turbo Repo, Formik, React Query, Chakra UI

- Created a **multistep verification flow** over the weekend which was used to capture contact details of more than 500 students in pilot cohorts .

Projects

Run React, Online code editor 📄

- An online code editor built with **React** and **TypeScript**, that can fetch packages from **UNPKG** and bundle them together blazing fast in the browser itself using **ES Build**.

Rave it, Social Media App 📄

- A social media app built with **MERN Stack**, **Redux Toolkit** and **Styled Component** for **NeogCamp**.

Armor, Ecommerce App 📄

- An ecommerce app built with **MERN Stack** as a assignment for **NeogCamp**.

Rakesh.Website, My portfolio 📄

A clean minimalist portfolio built with **Next Js**, **Tailwind** and **Typescript**.
